NATHAN'S FAMOUS, INC. AND SUBSIDIARIES NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 29, 1997

NOTE A - BASIS OF PRESENTATION

The accompanying consolidated financial statements of Nathan's Famous, Inc. and subsidiaries (the "Company")for the thirteen week periods ended June 29, 1997 and June 30, 1996 have been prepared in accordance with generally accepted accounting principles. The unaudited financial statements include all adjustments (consisting of normal recurring adjustments) which, in the opinion of management, were necessary for a fair presentation of financial condition, results of operations and cash flows for such periods presented. However, these results are not necessarily indicative of results for any other interim period or the full year.

Certain information and footnote disclosures normally included in financial statements in accordance with generally accepted accounting principles have been omitted pursuant to the requirements of the Securities and Exchange Commission. Management believes that the disclosures included in the accompanying interim financial statements and footnotes are adequate to make the information not misleading, but should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the fiscal year ended March 30, 1997.

NOTE B - RECLASSIFICATIONS

Certain reclassifications of prior period balances have been made to conform to the June 29, 1997 presentation.

NOTE C - EARNINGS PER SHARE

Weighted average common shares outstanding for the thirteen weeks ended June 29, 1997 and June 30, 1996 were 4,765,552 and 4,722,216, respectively. Common stock equivalents for the thirteen weeks ended June 29, 1997 and June 30, 1996 were 43,336 and 0, respectively.

-7-

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Results of Operations

Thirteen weeks ended June 29, 1997 compared to June 30, 1996

Revenues

Total sales increased 2.3% or \$134,000 to \$5,907,000 for the thirteen weeks ended June 29, 1997 ("first quarter fiscal 1998") from \$5,773,000 for the thirteen weeks ended June 30, 1996 ("first quarter fiscal 1997"). Company-owned restaurant sales increased 0.9% or \$51,000 to \$5,824,000 from \$5,773,000. Comparable unit sales (units operating for 18 months or longer as of the beginning of the fiscal year), increased by \$44,000 or 0.9% in the first quarter fiscal 1998 versus the first quarter fiscal 1997. The Company continues to emphasize the aggressive local store marketing activities and value pricing strategies that were implemented last year. Additionally, the Company has recently completed the renovation of its Yonkers, NY restaurant which is now operated as a co- branded Nathan's / Pizza Hut / TCBY. Plans are currently being developed to renovate and modernize the appearance and design of certain other units. At June 29, 1997 and June 30, 1996, there were 24 and 25 Company-owned units, respectively. Sales from the newly implemented Branded Product Program were \$83,000 for the first quarter fiscal 1998.

Franchise fees and royalties decreased by \$142,000 or 17.5% to \$671,000 in the first quarter fiscal 1998 compared to \$813,000 in the first quarter fiscal 1997. Franchise royalties decreased by \$55,000 or 8.8% to \$568,000 in the first quarter fiscal 1998 as compared to \$623,000 in the first quarter fiscal 1997. Franchise restaurant sales, upon which royalties are based, decreased by \$1,892,000, to \$13,961,000 in the first quarter fiscal 1998 as compared to \$15,853,000 in the first quarter fiscal 1997. At June 29, 1997 there were 150 franchised or licensed restaurants as compared to 175 at June 30, 1996. During the first quarter fiscal 1997, the 53 Caldor units which were subsequently closed generated sales and royalties of approximately \$2,133,000 and \$85,000, respectively. Franchise fee income decreased to \$103,000 in the first quarter fiscal 1998 as compared to \$190,000 in the first quarter fiscal 1997. During the first quarter fiscal 1997 in which 6 new units were opened. Higher franchise fees were earned during the first quarter fiscal 1997 than during the first quarter fiscal 1998 due primarily to the higher recognition of fees associated with expired development agreements.

License royalties increased by \$151,000 or 59.4% to \$405,000 in the first quarter fiscal 1998 as compared to \$254,000 in the first quarter fiscal 1997. The majority of this increase is a result of the Company's license arrangement with SMG, Inc., for the sale of Nathan's frankfurters in supermarkets. Of the total \$151,000 increase, approximately \$81,000 represents royalties earned from higher sales to supermarkets and \$60,000 represents amortization of the deferred fee received from SMG, Inc. in conjunction with the renegotiation of their contract commencing January 1, 1997.

-8-

Investment and other income increased to \$379,000 in the first quarter fiscal 1998 from \$132,000 in the first quarter fiscal 1997. Approximately \$128,000 of the increase is due primarily to increased earnings on the Company's marketable investment securities as a result of the change in performance of the financial markets. Additionally, the Company recognized a gain of approximately \$130,000 from the sale of an underperforming restaurant.

Costs and Expenses

Cost of sales increased by \$190,000 from \$3,313,000 in the first quarter fiscal 1997 to \$3,503,000 in the first quarter fiscal 1998. As a percentage of restaurant sales, cost of restaurant sales increased to 58.9% in the first quarter fiscal 1998 as compared to 57.4% in the first quarter fiscal 1997. This increase is due primarily to higher labor and associated fringe benefit costs. The Company continues to take steps to offset this margin erosion which has become necessary to remain competitive in the current marketplace.

Restaurant operating expenses decreased by \$52,000 from \$1,665,000 in the first quarter fiscal 1997 to \$1,613,000 in the first quarter fiscal 1998. This decrease can be attributed to the closure of two unprofitable restaurants in June 1996. As a percentage of restaurant sales, restaurant operating expenses were 28.8% in the first quarter fiscal 1997 as compared to 27.7% in the first quarter fiscal 1998.

Depreciation and amortization decreased by \$9,000 or 3.4% from \$261,000 in the first quarter fiscal 1997 to \$252,000 in the first quarter fiscal 1998. Amortization of intangibles of \$96,000 remained constant in both fiscal years.

General and administrative expenses increased by \$127,000 or 13.0% to \$1,103,000 in the first quarter fiscal 1998 as compared to \$976,000 in the first quarter fiscal 1997. Approximately \$75,000 of the increase relates to the effect of certain one-time benefits recognized in the first quarter fiscal 1997.

Income Tax Provision

In the first quarter fiscal 1998, the income tax provision was \$320,000 or 40.3% of income before income taxes. In the first quarter fiscal 1997, the income tax provision was \$264,000 or 40.1% of income before income taxes.

-9-

Liquidity and Capital Resources

Cash and cash equivalents at June 29, 1997 aggregated \$241,000, decreasing by \$406,000 during the fiscal 1998 period. At June 29, 1997, marketable investment securities totalled \$7,850,000 and net working capital increased slightly to \$4,961,000 from March 30, 1997.

Cash provided by operations of \$296,000 in the fiscal 1998 period is primarily attributable to net income of \$474,000, non-cash charges of \$375,000, including depreciation and amortization of \$348,000, a decrease in prepaid and other current assets of \$244,000, a decrease in accounts payable and accrued expenses of \$297,000, an increase in marketable investment securities of \$210,000 and an increase in franchise and other receivables of \$327,000.

Cash used in investing activities of \$699,000 represents capital acquisitions relating to the renovation of the Company-owned restaurant in Yonkers, NY, construction of a new Company-owned unit which is expected to open in August 1997 and other fixed asset additions.

Management believes that available cash, marketable investment securities, and internally generated funds should provide sufficient capital for its planned operations and expansion program through fiscal 1998. The Company also maintains a \$5,000,000 uncommitted bank line of credit. The Company has not borrowed any funds to date under this line of credit.
