NATHAN'S REPORTS/2

The Company also reported the following:

- License royalties were \$37,417,000 in fiscal 2026, comparable to the prior year, reflecting the stability of the Company's licensing business and the steady royalty income earned under the Company's retail and foodservice program with Smithfield Foods, Inc.
- In the Branded Product Program, which features the sale of Nathan's hot dogs to the foodservice industry, sales increased by \$13,940,000 to \$105,768,000 during fiscal 2026 as compared to \$91,828,000 during fiscal 2025. The volume of hot dogs sold by the Company increased by approximately 1%. Our average selling price, which is partially correlated to the beef markets, increased by approximately 12% compared to the prior year period. Income from operations decreased by \$2,851,000 to \$4,285,000 during fiscal 2026 as compared to \$7,136,000 during fiscal 2025 due primarily to a 19% increase in the cost of beef and beef trimmings.
- Sales from Company-owned restaurants were \$12,508,000 during fiscal 2026 as compared to \$12,714,000 during fiscal 2025. Restaurant sales were primarily impacted by lower foot traffic attributable to unfavorable weather conditions, particularly at our Coney Island locations during the key summer season.
- Revenues from franchise operations were \$4,317,000 during fiscal 2026 as compared to \$4,148,000 during fiscal 2025. Total royalties were \$3,897,000 during fiscal 2026 as compared to \$3,767,000 during fiscal 2025. Franchise restaurant sales increased by \$3,212,000 to \$70,117,000 as compared to \$66,905,000 for fiscal 2025.² Total franchise fee income, including cancellation fees, was \$420,000 during fiscal 2026 as compared to \$381,000 during fiscal 2025. Twenty-three franchised locations opened and thirty-two franchised locations closed during fiscal 2026.
- Advertising revenue was \$2,053,000 during fiscal 2026 as compared to \$2,074,000 during fiscal 2025.
- On February 27, 2026, the Company paid the \$0.50 per share regular cash dividend that was declared by the Board of Directors effective February 5, 2026 to shareholders of record at the close of business on February 17, 2026.

As previously announced, on January 20, 2026, Nathan's entered into an Agreement and Plan of Merger (the "Merger Agreement") with Smithfield Foods, Inc. ("Smithfield Foods") and Boardwalk Merger Sub Inc. under which Smithfield Foods will acquire Nathan's for \$102.00 in cash per share of Nathan's common stock for a total enterprise value of approximately \$450 million, and Nathan's will become a privately-held company. Completion of the transaction remains contingent upon meeting several conditions specified in the Merger Agreement. These include securing approval from the holders of a majority of Nathan's outstanding stock, obtaining clearance from the Committee on Foreign Investment in the United States (CFIUS), and fulfilling other closing requirements. However, given the impact of the partial government shutdown on statutory deadlines for CFIUS's review process, our anticipated closing timeline has shifted, and we now expect the transaction to close in the second half of 2026.

² Franchise restaurant sales are not revenues of the Company and are not included in the Company's Consolidated Financial Statements.

Certain Non-GAAP Financial Information:

In addition to disclosing results that are determined in accordance with Generally Accepted Accounting Principles in the United States of America ("US GAAP"), the Company is disclosing EBITDA, a non-GAAP financial measure which is defined as net income, excluding (i) interest expense; (ii) provision for income taxes and (iii) depreciation and amortization expense. The Company is also disclosing Adjusted EBITDA, a non-GAAP financial measure which is defined as EBITDA, excluding (i) loss on debt extinguishment, (ii) share-based compensation, and (iii) non-recurring transaction costs consisting primarily of professional fees incurred in connection with the Merger Agreement that the Company believes will impact the comparability of its results of operations.

The Company believes that EBITDA and Adjusted EBITDA are useful to investors to assist in assessing and understanding the Company's operating performance and underlying trends in the Company's business because EBITDA and Adjusted EBITDA are (i) among the measures used by management in evaluating performance and (ii) are frequently used by securities analysts, investors and other interested parties as a common performance measure.

EBITDA and Adjusted EBITDA are not recognized terms under US GAAP and should not be viewed as alternatives to net income or other measures of financial performance or liquidity in conformity with US GAAP. Additionally, our definitions of EBITDA and Adjusted EBITDA may differ from other companies. Analysis of results and outlook on a non-US GAAP basis should be used as a complement to, and in conjunction with, data presented in accordance with US GAAP. Please see the table at the end of this press release for a reconciliation of EBITDA and Adjusted EBITDA to net income.
